FUEL SURCHARGE

Dear Terminal Manager:

As you may know, the Department of Energy's fuel rating is published late afternoon every Monday. In order to provide our customers with competitive rates, we would like the following information regarding your company's fuel surcharge.

Genex will then gather all our drayage carrier's fax and/or e-mail updates and publish an "internal" listing. Our "cut-off" for fuel updates is 2:00 pm cst every **TUESDAY** and these changes TAKE EFFECT on **WEDNESDAY.** Please note that our policy **will not** allow for "immediate" fuel surcharge increases; they will be honored on the following Wednesday.

Please make sure we are in receipt of your company's fuel surcharge within the above listed time frame to insure proper billing/rates are applied. If we are NOT in receipt of your weekly/monthly updates on fuel, we will use the lower most recent recorded fuel surcharge from your company.
