NOTES

1. The above specifications will vary depending on manufacturer, equipment lessor, and/or carrier.
2. "Light Weight" equals the unloaded weight, in pounds, of the container or trailer.
Light weight of container **does not** include the weight of a chassis.
3. Carrying capacity, in pounds, is not shown. Such capacity is, more often than not, restricted by country, state, and/or local laws.
4. Genex **cannot** be held responsible for overweight fines.
